Re: Ladies Coaching Project Tenby Golf Club

Dear Sir / Madam

May I thank you for allowing us to take part in 2008 Women and Girls Starter Scheme.

The project run at Tenby Golf Club exceeded our expectations. Indeed we had to run additional sessions with our own funding to satisfy the numbers. Originally just I was going to coach the ladies but with some sessions averaging 16 ladies I utilized my assistants to ensure the coach per person rate was more effective.

I do believe we have forwarded the participants questionnaires last year. With more than one organizer there was some confusion with the paper work. Apologies for the delay in returning our evaluation form.

The interesting fact that I have noticed from our project was the knock on effect of inquiries from friends of people who had attended our coaching sessions. As such I am actually providing ongoing coaching to a lot of ladies and girls who were not part of the original project. This combined with our excellent Trial Membership package bodes well for the Golf Club.

The comments I received from participants about the negative side of golf was the time factor, initial start up costs and the fear of actually approaching a golf club due to old stereotypes. I believe our relaxed dress codes and reasonably priced starter equipment has helped changed these views to some degree and I look to further educate people in my catchment area.

I look forward to a successful 2009 and hope we achieve similar success.

Kind Regards

Rhys Harry – Head Professional
